Katrina was devastating for us, mostly because our home was destroyed and we lost all of our belongings, including my Daddy's old Toyota truck. Now we are on our eleventh week waiting for our home to be removed from our property.

Write something special that you would like Santa to bring you or your family:
We would love to have our property cleared soon because we aren't wanted where we are. A washer + dryer, even second hand would be great, or a shed to put it in.

Please use back or another sheet of paper, if you want to write more. We want to hear your story. over

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

We all expected for debris removal to be a slow process, but after eleven weeks (so far) of waiting for something to happen, it seems hopeless. I know it is a massive job, but the citizens South of the tracks need help now. The Corps of Engineers has failed us.
